The 'A GP Framework for Child Mental Health Assessment (5-12 years)' e-learning resource was prepared by Emerging Minds as part of the National Workforce Centre for Child Mental Health initiative.

Content Development

Development of the 'A GP Framework for Child Mental Health Assessment (5-12 years)' e-learning resource was a collaborative effort with many people contributing their knowledge, skills, and experience to the project. Emerging Minds wishes to acknowledge these individuals, groups and organisations for their support and contribution to the resource. Without your input, expertise and willingness to share, this resource could not have been developed. Thank you.
