The Supporting Infants and Toddlers e-learning resource was prepared by the Australian Infant, Child, Adolescent and Family Mental Health Association (AICAFMHA) as part of the Children of Parents with a Mental Illness (COPMI) national initiative, funded by the Australian Government.

Content Development

The development of the Supporting Infants and Toddlers course was a collaborative effort with many people contributing their knowledge, skills, and experience to the project. AICAFMHA wishes to acknowledge the individuals, groups and organisations for their support and contribution to the resource. Without your input, expertise and willingness to share this resource could not have been developed. Thank you.
