The Child Aware Supervision e-learning resource is a collaborative project between the Australian Infant, Child, Adolescent and Family Mental Health Association (AICAFMHA) as part of the Children of Parents with a Mental Illness (COPMI) national initiative, the Australian Centre for Child Protection (ACCP), and the National Centre for Education and Training of Addiction (NCETA). This resource has been funded by the Australian Government Department of Families, Housing, Community Services and Indigenous Affairs.

Content Development

The development of the Child Aware Supervision e-learning resource was a collaborative effort with many people contributing their knowledge, skills, and experience to the project. AICAFMHA, ACCP and NCETA wishes to acknowledge the individuals, groups and organisations for their support and contribution to the content of this resource. Without your input, expertise and willingness to share, this resource could not have been developed. Thankyou.
